 - All right here, Sir, some tips and tricks on slack so right here, I have my old student profile um if you click down here, you can do what we call a huddle so let's say you have a quick question and i'm calling.
- 00:36
 - My old profile and you can I would answer it on my other end, and then we can talk through slack this way there's also the share screen option over here, I have multiple screens so.
- 00:49
 - In this case, I would just share screen, the main desktop and then over here Oh, you can also annotate it'll eventually fade away when it's done let's see see how it just kind of dissolves and fades away um so let's stop sharing let's go back to our slack.

 - Can mute yourself, you can unmute yourself yeah.
- 01:20
 - and also the options are down here as well, in your little icon.
- 01:25
 - And that is a little tip and trick tips and tricks.
